Inaugural BC Hockey Female Midget Zone AAA Championships Set to Go!

BC Hockey is proud to announce the Female Midget Zone AAA Championships commence March 17th at the George Parks Recreation Centre. All four teams participating in the BC Hockey Female Midget Zone AAA League are represented and the winner will represent BC at the Western Midget Female Championship in St Albert, Alberta. The Female Midget Zone AAA teams are:

- Prince George
- Vancouver Fusion
- Fraser Valley Phantoms
- Pacific Steelers

The four teams have all had successful seasons playing interlocking schedules with each other and representing BC proudly in tournaments across Canada and in the USA over the past six months. Their competitive level and sportsmanship can be earmarked as a highlight of the program. According to BC Hockey League Chair, Randy Henderson, "the success of these teams can be witnessed in their success on and off the ice. These teams have represented the Branch well, as all of our elite athletes do. The number of players already identified for post secondary scholarships and hockey opportunities speaks volumes about the quality of our girls. I have every confidence this program will grow to be a very significant component of BC Hockey programming down the road and believe the branch made a very wise decision to proceed with this league."

The Championship schedule is as follows:
